15) It is not clear on what point the opinion of Govt. V is required. The breeding bulls supplied to the Dt. Boards by the Animal Nahal Dept. are paid for and are the property of the Dt Boards concerned. The Animal Nahal Dept., it seems, is consequently unconcerned with the conditions on which the use of such bulls is to be regulated or the manner in which ~~[illegible]~~ the Dt Boards are to dispose of their unserviceable bulls.

(1) Whether the action of the President in ordering the castration of an unserviceable bull with a view to its being used for agricultural purposes & directing the recovery of half the cost of the bull in case is in order—

bulls at Concession rates did not avail themselves of the Concession for certain reasons. —

(8) As regards (1) it is stated in the note that the President's action is opposed to Rule 6 of the order relating to Supply of Amrit Mahal Bulls — But this rule applies to District Board Bulls — i.e. Bulls supplied to District Boards. (Para 1 of the Rules) but the present reference relates to a bull sold to a Raiyat at Concession rates & the rules do not contain any provision regarding disposal of bulls supplied to Raiyats at Concession rates, which become unserviceable for breeding purposes — If approved the opinion in charge of the Amrit Mahal Depts may be asked by the Branch Concerned & for his opinion in the matter —

(9) As regards (2) the fact that a Concession sanctioned is not availed of for some reason, there is no reason for altering the rules regulating the grant of the Concession. —

Generally raiyats do not take grown up bulls for breeding purposes, as it is difficult to make them submit to domestication. So they take only young ones of one or two years old as they can bring them up and use them for breeding purposes when they come to age. (2) It is rather injurious to keep more than the required number of bulls in each herd with a view to meet the demands of raiyats who never go in for grown up ones. (3) When bulls given to the District Boards become unfit, they may be sold and the amount credited to that fund, as they are no longer the property of the Amrut Mahal Department.

Sir,

I have the honour to state that the District Board at its meeting held on the 23rd December 1914, has resolved that a breeding bull may be supplied at half cost to one Thotappiah, Patel of Ittigehalli in Kumsi Sub Taluk who owns 99 head of Cattle.

2. Three bulls have till now been supplied to this District. One bull was supplied to each of the following persons:-

Revani Siddiah of Nyamti,
Sivappa, Patel of Issur and Veerabadriah of Hosur.

Two more were sanctioned during the year 1913-14 Viz., one to Rudrappa Gowda of Tumarikoppa and one to H. Rama Rao of Thirthahalli.

3. Of the 3 bulls supplied, the one with Revani Siddiah is dead. The bull with Veerabhadriah is unfit for breeding purposes and he wants to use it for agricultural purposes. I have ordered that he should pay half the cost of the bull and have it castrated Thus there is only one bull nowin the District which is useful for breeding purposes.
